Palestinian Resistance groups carried out multiple operations across Gaza, killing and wounding several Israeli soldiers.

At the same time, Israeli occupation forces committed massacres throughout the Strip, killing over 100 Palestinians and injuring many more.

Since October 7, 2023, Israel has killed 58,026 and injured 138,520 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.

Sun, Jul 13, 7:27 PM (Palestine Time)

Hostage Families: Netanyahu's Statements Aim to Derail Deal Efforts

STATEMENT: The Israeli Hostage Families Forum stated that Netanyahu is trying once again to create a false impression that reaching a comprehensive agreement is impossible. They viewed his statements as an initial attempt to thwart efforts to conclude a deal, similar to his past actions.

The Forum asserted that the government has repeatedly failed to bring back the hostages due to narrow political interests. They emphasized that over 80% of the public desires an agreement that ends the fighting and brings back all the hostages. The Forum concluded that anyone who sabotages the agreement is acting maliciously against the will of the people for the sake of political survival.
