Palestinian Resistance groups have intensified their operations in Gaza, as Israeli media warn of the intelligence they have been able to gather.

Meanwhile, Israeli Prime Minister Benjamin Netanyahu said that Israel is ready for an agreement, but “not at any cost.”

Since October 7, 2023, Israel has killed 57,823 and injured 137,883 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
