Several world leaders have strongly condemned Israel's plan to occupy Gaza City, while Hamas has slammed the decision as a "war crime and an act of ethnic cleansing."

Meanwhile, Yahya Saree, the military spokesman for the Ansarallah, announced that the group's drones successfully struck three Israeli targets.

Since October 7, 2023, Israel has killed 61,330 and injured 152,359 others, the majority of whom are women and children, according to the Palestinian Ministry of Health in Gaza.
